Healthy U,  
Happy U!

Vimal Oil & Foods Ltd. (VOFL), the flagship company of Vimal Group, was started in 1993 in Mehsana, Gujarat, with a small 50-ton refinery, and today it has evolved into a fully integrated and automatic oil-processing unit with an annual turnover of Rs. 2000 plus crores, listed with BSE and NSE.

VOFL is always committed to quality and integrity, and that's what reflects in our products that never fail to delight our customers. In that quest, we have expanded our business horizons by introducing Cottonseed oil, Groundnut oil, Mustard oil, Soyabean oil, Sunflower oil, Corn oil, Rice Bran oil, Vimal Lite Table Margarine, Mayonnaise and now introducing the whole new range of **Healthy, Tasty and Fresh snacks under brand name Vimal Fresh. Vimal Fresh has all kinds of Wafers, Namkeen, Fryums & Extruded snacks and much more...**

The Manufacturing facility comprises of an integrated fully automatic state of the art Wafers & Namkeen Plant. The products are lab-tested at every stage, starting with the raw material, and ending with final packaging. With the immense experience of the Vimal Group, VOFL has earned a solid reputation for its vision, entrepreneurial spirit and competitive edge.

One of the major advantages of VOFL is its strategic location and well established Distributors Network throughout the Country. The Company has intentionally set up base in the middle of an oil-seed belt as well as potato growing belt nearby in Deesa (Banaskantha) North Gujarat, India. This way, it is ensured of a regular supply of raw material. Having a port close by is an added advantage. finally, its location on a national highway, provides several logistic advantages.
